AMPLIFY FUND

We envision a reality where people of color and low-income people accrue the benefits of change, such as wealth creation, land control and quality of life outcomes. We are a short-term fund designed for long-term impact. WWW.NFG.ORG/AMPLIFY

COMMUNITIES WILL HAVE MORE POWER

to influence decisions about the places where they live.

PHILANTHROPY WILL HAVE A CLEAR MODEL

for equitable development centered in racial justice.

DISTRIBUTES RESOURCES TO LOCAL ORGANIZATIONS

via general operating grants and wrap-around support for grantees.

ENGAGES LOCAL, REGIONAL, NATIONAL FUNDERS

to foster opportunities for the work to be supported in the long-term.

We know that people of color and low-income people bear the brunt of negative impacts created by development given the persistence of structural racism, the legacies of segregation, and that for-profit investors have an outsized influence in the development of cities and land.

We believe that community power is the driver of just & equitable development.

We center racial justice in our strategies & group norms.
